

PLAN FOR TOMORROW, TODAY

St. Paul's Educational Series

As we age or experience our parent's aging, we hear terms we don't understand, and we seek services that are confusing to us. St. Paul's is here to make life's aging journey less stressful through our new **St. Paul's Educational Series, "Plan for Tomorrow, Today."** We will host several educational events throughout 2019 with experts within the senior care industry. Each event will address your most asked questions and include guidance from some of San Diego's most knowledgeable people in senior care to help you make this journey with confidence. View our event schedule on the back of this card and RSVP today!
